They give you both protection & market exposure. Invest small fixed amounts and stay invested for a long tenure to ensure good returns.

Hmph!! .. Disappointing!!! .. Need to find someone else now!

Meaning .. two different investment tools?

Yes, but there is an easy way out. Consider ULIPs.

This New Year I won't let the Tax Monster scare me!

Hahahah .. Best of luck!

That's right Pappu! First, let's map your financial goals & check what suits your need. Being young, market exposure is ideal & protection is a must.
